Dubai, UAE | UAE Driving License

+971 54 378 3607 | asaadjalkhi01@gmail.com | Portfolio: <https://asaadjalkhi.github.io>

PROFESSIONAL SUMMARY

Cross-functional marketing and digital professional with a technical foundation and extensive hands-on experience in creative production, brand presentation, websites, and practical IT support. Experience spans F&B, fashion, and agency environments, building on video-editing work that began in 2016 and later expanded into creative leadership, agency ownership, and broad marketing responsibility. Combines deep video-production expertise with practical working knowledge of digital platforms and workplace systems to coordinate teams, vendors, and day-to-day business needs.

CORE EXPERTISE

Brand and Marketing

Brand presentation, creative direction, content planning, social media coordination, influencer and partnership management, activations, campaign coordination

Web and Digital Systems

Website design and administration, Shopify, WordPress and Elementor, online menus, content management, domains, CRM tools and reservation platforms

Creative Production

Video editing, motion graphics, colour grading, visual effects, short-form advertising, CGI and 3D production, shoot coordination

IT Operations

End-user support, internal file storage systems, biometric devices, CCTV support, POS system administration, printers, screens, networked devices, troubleshooting

PROFESSIONAL EXPERIENCE

Marketing Executive

Jul 2025 - Present

GAF and The Good Moon | Dubai, UAE

- Served as the main marketing point of contact for two F&B brands, coordinating campaigns, collaborations, influencers, activations, suppliers, and external marketing enquiries.
- Maintained consistent brand presentation across social media, designs, menus, printed and on-site materials, campaigns, digital platforms, and other customer-facing touchpoints.
- Led an in-house creative team, assigning briefs, coordinating production, and reviewing deliverables.
- Planned and published content and personally produced and edited social video content; utilised ChatGPT and Claude for research, ideation, copy development, and production workflows.
- Built and maintained both brand websites and managed online menus, reservation and CRM tools, and the development of a dual-brand loyalty-platform prototype.
- Supported daily administration of POS, CRM, reservation, payment, and ordering platforms, including updates, user support, provider coordination, and issue follow-up.
- Supported the ongoing Odoo rollout and related administrative work, developed working knowledge of the workflow, and trained front-of-house staff on day-to-day POS use.
- Provided practical IT support, including administrative access and basic setup for CCTV applications and biometric attendance, internal file storage system and access, domains, printers, screens, networked devices, and general troubleshooting.
- Supported recruitment coordination, interview scheduling, staff documentation, and attendance procedures alongside the core marketing role.

Founder and Creative Lead

Dec 2024 - Jan 2026

DASH Digital Marketing Agency FZC | UAE

- Co-founded and operated a multidisciplinary marketing agency, leading a four-person team across creative production, account delivery, and client communication.
- Directed brand identities, social content, digital launches, and creative execution for clients across F&B, fashion, architecture, sports, and pet services.
- Managed proposals, timelines, partner and client communication, team allocation, vendors, and day-to-day project delivery.
- Delivered hands-on video editing, web design and development, e-commerce management, CGI and 3D content, and campaign concepts.

Video Editor and Web Developer

Dec 2023 - Dec 2024

Octoboss Marketing Agency | UAE

- Edited social media and advertising content for multiple agency clients, with a strong focus on fashion and creative projects, producing short-form video, motion graphics, colour-graded edits, and campaign content.
- Produced CGI and 3D-enhanced content for client projects while developing practical production experience in Blender.
- Managed and updated multiple client Shopify websites and stores, including visual design, content, product updates, and ongoing maintenance.
- Created a campaign video for Designers&Us that was displayed on a large Times Square screen in New York; also supported content connected to major fashion events, including Dubai Fashion Week.

IT Assistant | Saleha Trading Company

2022 - 2023

Managed files, documentation, data entry, business email and domain administration, website updates, and general IT support.

Video Editor and IT Support

2020 - 2022

Magenta Studio | Syria

- Edited client projects including weddings, graduations, social media content, and general studio productions using Adobe Premiere Pro and After Effects.
- Managed data entry, digital files, and documentation and provided support for computers, printers, screens, software, and studio equipment.

IT Teacher Assistant | Al Farouk Government School | Syria

2019 - 2020

Government-appointed role supporting computer and operating-systems instruction for fifth- and sixth-grade students.

Freelance Video Editor and Motion Designer

2016 - Present

Independent | Remote

- Produce video edits, motion graphics, visual effects, commercial work, and social media content for clients through freelance platforms and direct engagements.
- Manage briefs, footage organisation, editing, revisions, and final delivery across varied formats and client requirements.

EDUCATION

Bachelor's Degree in Informatics Engineering | Al-Ittihad Private University | Syria

2019 - 2023

GPA 3.06/4.00; ranked fourth in the graduating class.

LEADERSHIP AND COMMUNITY

Leadership Member | National Union of Syrian Students

2021 - 2023

Managed the university branch team and events and served as a point of contact among students, university management, and union leadership.

University Programming Team Trainer

2022 - 2023

Trained the university team preparing for the Syrian Collegiate Programming Contest.

Theatre and Acting | Local Stage and Television Productions

Participated in community productions from childhood through early adulthood, developing confidence in performance, presentation, and storytelling.
